

### Encore Productions Residency Round Up - June 2019

As the temperatures rise the pressure is on! Rehearsals are really coming together and the scenes are starting to take on a life of their own. Our wagon has had a lick of paint and a growing pile of props and costumes is spreading across the workshop floor! Time for a well-earned week off before we take a sabbatical up at St Brigid's School who have been kind enough to lend us some rehearsal space for a few weeks as Summer Camp fever hits the town. See you in July – back in An Táin Arts Centre to add music and lights to the mix as we prepare for filming. Lights camera – action!
